

CELEBRATING OUR 71st YEAR

THE BRASS NUTS

December 2019

VOLUME 67 ISSUE 12

Founded November 15, 1948
Chartered December 10, 1948

The Brass Nuts is published by the 5th of each month by the **NORTHERN CALIFORNIA REGIONAL GROUP OF THE HCCA**. Permission to reproduce articles appearing in this publication is granted provided credit is given to the original source. *Brass Nuts* subscriptions are available to non-members for \$15.00 per year.

The mission and purpose of the **Northern California Regional Group of the Horseless Carriage Club of America** is to bring together people interested in the preservation of antique and vintage vehicles and their accessories, to preserve and maintain antique and vintage vehicles, and to serve as an accurate and technical source of information concerning the vehicles for the benefit of the members and the general public. We value and enjoy sharing our cars and their history through public educational events.

THE HORSELESS CARRIAGE CLUB OF AMERICA

The Horseless Carriage Club of America is a nonprofit international association of people dedicated to the enjoyment, study and preservation of early automobiles manufactured prior to 1916.

The club was organized in 1937 by a group of horseless carriage enthusiasts who foresaw the need for an organization dedicated to the preservation of automotive history. From this beginning the Horseless Carriage Club of America has grown to include members from all parts of the United States, Canada, Europe and other parts of the world. www.hcca.org

NCRG General Meetings will be held the third Thursday of each month (no meeting in December) at the Sacramento Sewer District Office Board Room, 5026 Don Julio Boulevard, Sacramento, California.

NCRG 2018—2019 BOARD OF DIRECTORS:
Bill Charpier, Sue Hill, Bob Hopkins, Jr., Gordon McGregor, and Cathleen Roush.

NCRG 2019—2020 BOARD OF DIRECTORS:
Jan Charpier, Mike Huff, Sandy Maye, Stephanie Mozell, and Diana Squire.

**President's Message:**

As I write this message, the Christmas Holiday Dinner and Light Tour is only about 2½ weeks away. Jan and I are looking forward

to joining you at Dad's Kitchen in Fair Oaks on December 15th, and having time to visit and enjoy the meal. Remember to save room as you are invited to our home after dinner for a selection of holiday desserts. You still have time to decorate your old cars for this annual tour, and I'm anxious to see them in their holiday splendor.

At the last General Meeting, Board Members for the 2020 – 2021 term were elected by acclamation. The members elected are Raul Cornejo, Bob Hopkins, Jr., Gordon McGregor, Roger Mitchell and me. I'm looking forward to working with returning members Bob and Gordon and with new members Raul and Roger, as well as, the remaining Board members.

As the year ends, I want to thank the members for their continued support and for volunteering to serve on the Board of Directors, to serve as Club Officers, to plan and host tours and events and for the many other things you do to make this a wonderful club.

Happy Holidays

Bill

**Editor's Message:**

As 2019 draws to a close, I'd like to take a moment to thank all the members who helped in creating this newsletter. Thank you to

all who shared your experiences as you went on tours, participated in club events, such as our Gala in celebration of our 70th-Year Anniversary and Gymkhana, and brought your cars to community events, such as parades, car shows, or special events. You shared your memories with us as you recalled the fun you experienced and the things you learned while traveling with our club or another group. It is important to put our cars on the road and to share our love and knowledge of the antique automobiles. Please continue to share those experiences and any special "tips".

How do you explain the feelings you experience as you ride in a 100-year-old car? How do you explain the feelings you get as you meet people who share your interest (maybe passion) in these cars? Savor those moments into 2020.

Wishing you Happy Holidays and Safe Travels,

Diana

The Gymkhana—Fun, Food, and Games

The weather was perfect—blue skies and a warm, not hot, day. The cars were assembled, the members and guests enjoyed seeing each others cars, learning more about firemen and fire trucks, and their equipment, and all were ready to enjoy delicious food and some games.

1915 Hudson, 1925 Model T Speedster, 1914 Model T

1928 Model A Tudor 55A

1924 Dodge

1923 Bentley brought by Joe's friend, Spencer.

Firemen, Mark Seibert and Rob Driver tell us about the important breathing apparatus and tools (axe and halogen bar) used for breaking into houses.. We were able to try on the coats, helmets and breathing apparatus. And, hold those heavy tools.

We also learned about purchasing and outfitting the fire trucks

The Snyders' 1928 Buick decided to be shy and not play, and exhibited electrical problems on the way.

How does all this attach?

Stephanie Mozell and Diana Squire

Mike Huff

Frank Squire with granddaughter, Lily.

Bob Hopkins, Jr. winner!

Mike Huff is ohhh so close

Frank Squire's first try. A bit off the mark.

But with a little target adjustment from grand-daughter, Lily. it looks like it could be a winner..... Alas, someone called foul play.

Ed Rose and Sue Hill took first place with their teamwork and smooth maneuvers.

Joe and Rae Anino are a close second.

We thought we were supposed to see how many cones we could squash. Oh well!!

Food and Foodies

City of Folsom's Veterans Day Parade

Story and Pictures by Raul Cornejo

Raul Cornejo, along with Paul Freeman, Raul's Little Brother (They met through the Big Brother's of America program when Paul was 8 years old.) participated in the City of Folsom's Veterans Day Parade. Paul drove Raul's 1936 Ford V8 4-door sedan. They were the first car in the parade. The plaques on the car represent the 1st Med Battalion, 1st Infantry Division.

Raul served in Vietnam and Paul served in Korea.

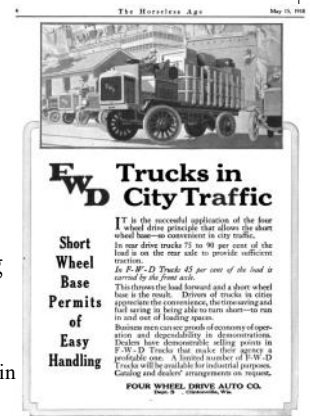

Automotive History

December 10, 1845—Robert Thomson of London England is issued a British patent for his “improvement in carriage wheels”, in effect, the world's first pneumatic tires. They were a hollow leather tire filled with air. However his solid tires were more effective and for many years air-filled tires were forgotten. Then in 1888, John Boyd Dunlop of Belfast, Ireland became the second inventor of these tires. He said he was unaware of the invention of such tires by Thomson. This time the tires became popular because they could offer bicycles a lighter-weight tire that provided a better ride. For the next fifty years, vehicle tires were made up of an inner tube that contained compressed air and an outer casing. This casing protected the inner tube and provided the tire with traction. Bias Ply Tires (tires with an inter casing containing air and an outer casing) were used initially. Radial Tires were introduced in 1948.

December 1908—Otto Zachow and William A. Besserdich of Clintonville, Wisconsin, are issued a US patent for the “power applying mechanism” which established the basic design for four-wheel drive braking systems. The patented full time four wheel drive system combined a lockable center differential with double-Y constant velocity universal joints for steering. The success of the system was such that the military found it extremely beneficial. Their company changed from making cars to trucks. The company expanded and changed names and investors throughout its history. In 1958 it became the FWD Corp. In 1963 it acquired Seagrave Fire Apparatus and over time it became a major producer of fire trucks.

General Meeting Minutes
Stephanie Mozell, Secretary
November 21, 2019**

Call to order : 7:07 pm

Guests: Mel Griffin, guest of Roger Mitchell, came in later during the meeting.

Doug Ose, former California Congressman, who served in the U.S. House of Representatives from 1999-2005, was our guest speaker. Congressman Doug Ose spoke about what happens in just one week of the Congress. It was very interesting. Many members had questions and everyone learned something.

Roll call of Board Members: Bill Charpier, Jan Charpier, Sue Hill (absent), Bob Hopkins, Jr., (absent). Mike Huff (absent), Gordon McGregor (absent), Sandy Maye, Stephanie Mozell, Cat Roush (absent), and Diana Squire.

Reading of General Meeting Minutes:

October 17, 2019. Motion to approve as published in The Brass Nuts: Moved: Terry Malone; Seconded: Frank Squire; Discussion: none; Action: carried.

Reading of the Board Minutes, October 22, 2019. Motion to approve as amended by Jan Charpier. She added that the initial amount of shortage was found as an overpayment to Leta Nichols for a Gala expense. It was rectified and the budget balanced. Moved: Jan Charpier; Seconded: Diana Squire; Discussion: none; Action: carried. Diana Squire made a motion to amend the minutes to include: NCRG will ensure payment for the total cost of the Holiday Dinner using monies collected from members and additional treasury funds, if needed. Moved: Diana Squire; Seconded: Frank Squire; Discussion: none; Action: carried.

Commendations:

- ♦ Thank you to Diana Squire for an excellent newsletter, to Kathy and Jim Ryan for printing the newsletter and to Kim Malone for mailing it.
- ♦ Thank you to all those who submitted articles, publications and mailings this month.
- ♦ Thank you to Ed Rose for organizing the volunteers for the Sacramento New Car Show Display.

- ♦ Thank you to Roger Mitchell and Ed Rose for organizing the Gymkhana event.
- ♦ Thank you to Roger Mitchell for inviting Doug Ose as our guest speaker.
- ♦ Thank you to the Charpiers for hosting the October 22nd NCRG Board Meeting.
- ♦ Thank you to Stephanie Mozell and Cindy Pharis for refreshments tonight.

Treasurer's Report: Jan Charpier. We are solvent.

Communications:

- ♦ Mac Weir brought in a flyer for the 2019 Parade of Lights in Elk Grove. Deadline to register is December the 2nd. The event is on December the 7th. The entry will be judged on a Christmas/Holiday theme and the use of lights.
- ♦ The CAM sent an invitation to NCRG members to join in their annual Tree and Holiday Potluck. December 1st – 2pm-7pm. Bring an ornament for the CAM tree and a dish to share for the meal (no hot dishes please).

New Business: Nothing to report

Unfinished Business:

- ♦ The Certificate of Insurance for the meeting room has not been finalized. Sue Hill will be contacted to follow up with Sue Frost, if needed.
- ♦ Nominating Committee Report - Diana Squire- The nominees for the 2020 - 2021 Board of Directors term are: Bill Charpier; Gordon McGregor; Bob Hopkins Jr.; Raul Cornejo; and Roger Mitchell.
 - There were no additional nominations for the Board of Directors from the floor.
 - Motion to close the nominations and accept the slate of nominees as presented: Moved: Ed Rose; Seconded: Kim Malone; Discussion: none; Action: carried.
 - Follow up action: For 5 nominees – President can accept the election of the proposed slate of candidates by acclamation. Call for a voice vote. Action: carried
 - Thank you to Diana Squire for being the Nominating Committee.

Minutes continued on page 9.

November 21, 2019 General Meeting Minutes Cont'd

STANDING COMMITTEE REPORTS

Tour and Safety: Gordon McGregor

- ♦ Dec 7 Cappuccino Cruisers Toy Drive Saturday 9:00 a.m.-2:00 p.m. at the Rock and Fire pizza at 1010 Riley St., Folsom. Entry fee is \$20 or a new unwrapped toy.
- ♦ **December 15 Light Tour and Progressive Dinner:** Location Dad's Kitchen, Fair Oaks. Time is 4:30 p.m. final destination for dessert and coffee at the Charpiers'. A light tour map will be available at the dinner. Further details will be in the newsletter and emailed. We will also be calling each attendee to get their dinner selection.
Reminder: the registration needs to be sent by December 1st to Jan Charpier.

Editor: Diana Squire

- ♦ President's message, meeting minutes, flyers and stories due to the Editor by November 26.
- ♦ Accepting articles for upcoming newsletters.

Webmaster: Thomas Roush

- ♦ No report given.

Sunshine Report: Elaine Rose will send a card to Wilma Hren for the loss of her husband, Ray. She also sent Frank Squire a get-well card and one to Donna Berg.

Membership: Kathy Ryan

- ♦ No report given.

Education: Frank Squire

- ♦ No report given.

History and Publicity: Sandy Maye

- ♦ The meeting notice was in the Sacramento Bee.

Display of your choice: In lieu of a display, Doug Ose was our guest speaker.

Good of the Order: Ed Rose discussed the New Car Show issues. He stated he would work on this in the future but didn't want to be the lead. He emphasized manpower to watch the cars is imperative. He also stated that the expenses for parking and pizza were \$195.

Next Board Meeting: Installation of Officers will be Sunday, January 12 at 10:00 am at Dad's Kitchen.

Next General Meeting: January 16, 2020 at 7:00 PM

Next Refreshment Committee: Outgoing Board Members (Sue Hill and Cat Roush)

Meeting Adjourned: Motion made by: Raul Cornejo:
Seconded by: Elaine Rose Adjourned: 8:53 p.m.

Former Congressman, Doug Ose, was our guest speaker. He described working as a congressman as working in constant chaos, like a tornado slowly moving down the street with things constantly falling off. You have to keep going and keep up.

He flew back home all but 5 weekends during his six years in Congress. Weekdays were filled with meetings (staff or congressional committees or in the House of Representatives), hearings, constituent visits, eating, working out (to help keep his sanity), and occasionally sleeping. His talk was very informative. He learned a lot and was able to help his constituents and our country. We thank him for coming to our meeting.

Welcome New Members

Judy Gordon Cedilote, Miall Cedilote and family.

HCCA NATIONAL NEWS

Re: Member Questions and Statements - Do You Know?
Issue: 2019-11-22 #06

Due to recent questions and statements I have received from members, it is a good time to clear up some basic information .

National Board and Leadership – The HCCA Board of Directors consists of 15 members. Each year a class of 5 directors is elected to serve a 3 year term. A goal of the nomination committee is to try and get diversified representation of the worldwide members. The Board Officers (President, Vice Pres., Treasurer and Secretary) are elected by the directors and serve one year terms. To reduce costs, each year there are 4 board meetings held in 3 locations. Because of the size of the organization and to minimize club expenses, Directors are NOT reimbursed for travel expenses to events and meetings. There is a high use of email and conference calls and each year the Annual meeting is rotated to new locations (CA, AZ, TX, FL, OK, CA, FL).

Communication to Members – The HCCA communication has improved over the years.

- HCCA Gazette / 3 Month lead time - The HCCA magazine, mailed to all members, is a bi-monthly magazine that contains information, articles and pictures.
- Website / To use this communication, members and visitors must visit the site - The HCCA website was created to reach out to the digital world for members and non-members. ... Changes are being made to the site to offer more information to members that will be interactive. To reduce the printing and distribution cost of \$25,000, the Member Roster will be accessible to members through ... a security members area.
- Facebook / Visibility – Site was created to allow members to post current events and information. More exposure to the public.
- HCCA National News and email Notices – Give the ability to reach out quickly to members any time. It is only sent to members on the HCCA distribution list – local officers, National directors and any member who has signed up. Best way to keep members informed.

Board Members – Though new board members are recruited each year, the quality of participation and responsibility varies ... HCCA is continually looking for members who want to make a positive difference

and improve the organization. The organization needs more members to get involved at the Local and National levels... GET INVOLVED, it is your organization.

Cost of Services – Some members think ... “Money is spent frivolously”; “Cannot get answers to questions”; “Numbers are not forthcoming”; “Budget is not shared and reporting is thin”. These statements are a sign of lack of involvement ... Minutes, Budgets and Expense reports are available to any member who requests information from the HCCA office. If you have a finance question, contact the Office / Treasurer. If you do not get a reply, contact and follow up with an email to the HCCA president.

In 2016, a Cost analysis was done of the HCCA Services per member. The Office Cost = \$18.78; Website Cost = \$6.15; Magazine Cost \$27.20. The review allowed board members to realize that HCCA needs to make changes ... Find ways to increase the number of members, Adjust the fee structure, Increase alternative income, Reduce operation expenses. In the fall, the HCCA Board of Directors made changes to member fees for 2020.

From the Treasurer – During an annual budget review this year, along with measures to keep expenses to a minimum, it was clear that finances have been slipping. The cost of doing business has risen and the number of members has dropped. We were forced to take monies out of our savings this year to operate. Before we have to take monies from our investments and after much heated discussion, the Board voted to increase the annual dues \$10, across all memberships starting January 1, 2020. There has not been an increase in the HCCA dues since 2001.

HCCA National News – At the beginning of the 2019, I was asked to keep members informed until a new editor could be found to take over, but that did not happen ... Since limited information has been passed on to me, this will be my last issue of the HCCA National News. I hope my communication helped inform members. Anne and I wish each member a great holiday season and New Year.

Carlton Pate / anpcop@aol.com

HCCA Board / Learn to Communicate ...

"THE Man of the Hour:"—I wish I knew what to give my family for Christmas that will give them the most pleasure and service.

Make It A Christmas Gift That Lasts

OVERLAND MODEL 51
WITH FOLD DOORS

One of Twenty-Two Overland Models
30 horse power; 110 inch wheel base; \$1,250

Imagine the joy and lasting good that you could instill into your family, if on Christmas morning you would point out of the window at home and say

"MERRY CHRISTMAS, FOLKS. THERE'S A BRAND NEW, BRIGHT AND COMFORTABLE OVERLAND CAR FOR YOU."

The beauty of it is that it's an unselfish present. It's just like adding more years, health and happiness to your home life. The holiday cheer will not pass with the change of the calendar, as every season will enhance the value of the Overland.

You already know from observation that the Overland is easy for woman or child to drive. It's the woman's best friend, in fair or stormy weather, for shopping or making calls.

People don't shut their cars up in a barn for winter any more—at least Overland owners don't. With a windshield, curtains, warm robe, free foredoors and a pair of gloves—it's great to motor in winter.

This is the time of the year when the street cars are crowded and air is foul; when the traffic is tied up and tedious, as well as uncertain. The Overland in winter robs the season of its vicious aspects and adds to its charm, health and beauty.

It will work all day for you and be fresh as new at night for theater or social call. It's a sign of health and progressiveness. It makes your boys more manly and healthy and the girls self-reliant.

AN OVERLAND IN WINTER IS A CHARACTER-BUILDING ASSET FOR THE HOME.

We believe, and can prove, that considering the price, service and comfort, the best family motor car friend is the
