The Brass Nuts is published by the 5th of each month by the **NORTHERN CALIFORNIA REGIONAL GROUP OF THE HCCA**. Permission to reproduce articles appearing in this publication is granted provided credit is given to the original source. *Brass Nuts* subscriptions are available to non-members for \$15.00 per year.

The mission and purpose of the **Northern California Regional Group of the Horseless Carriage Club of America** is to bring together people interested in the preservation of antique and vintage vehicles and their accessories, to preserve and maintain antique and vintage vehicles, and to serve as an accurate and technical source of information concerning the vehicles for the benefit of the members and the general public. We value and enjoy sharing our cars and their history through public educational events.

THE HORSELESS CARRIAGE CLUB OF AMERICA

The Horseless Carriage Club of America is a nonprofit international association of people dedicated to the enjoyment, study and preservation of early automobiles manufactured prior to 1916.

The club was organized in 1937 by a group of horseless carriage enthusiasts who foresaw the need for an organization dedicated to the preservation of automotive history. From this beginning the Horseless Carriage Club of America has grown to include members from all parts of the United States, Canada, Europe and other parts of the world. www.hcca.org

**President's Message:**

After the business portion of our September General Meeting was completed it was time for the annual auction, and it was a

success. Thank you to the members who donated a large number of varied and interesting items to the auction, who generously bid on the items being sold and who donated to this important fund raiser. Also, thank you to Dave Pava for his great job as auctioneer. As always he kept the auction going at a fast pace, and he found a bidder for every item.

As I write this message the 70th Anniversary is about a week and half away. It looks like we will have about 55 members and guests in attendance. The Gala Committee consisting of Stephanie Mozell, Leta Nichols and Cindy Pharis have been hard at work planning this event for many months and it should be a good one. I hope to see you there.

Hemmings Daily for Monday, September 23, 2019, contained a post titled *Clothspins on fuel lines – fact or fiction?* The opinions for the clothespin remedy, pro and con, plus those for a number of other automobile fixes such as replacing a broken fan belt with pantyhose made for interesting reading. Unfortunately, it was hard to tell if any of the fixes were for real or just urban legend. I guess when you are stranded alongside the road any idea is worth trying. If you are not receiving *Hemmings Daily* you can go online and sign up for it. There is no cost.

Happy Fall,

Bill

**Editor's Message:**

Autumn is my favorite time of the year. It's filled with gorgeous colors, leaves to rake and play in with the kids, and a sense of some

endings with the hope of new beginnings. I can take a break from the heat of summer and enjoy the cool mornings and crisp days. Then I can ready myself for the busy holiday season to come that's filled with shopping, baking, and sharing meals and special times with family and friends.

The auction is over and I came away with a few new things for around the house. Dave Pava always does a terrific job keeping the bidding moving and encouraging us to find a new home for a donated item.

I'm looking forward to attending the 70th Anniversary Gala, as well as the Gymkhana and Holiday Party and Progressive Dinner in the upcoming months. I hope you'll be there too.

Safe Travels,

Diana

Tricky Math Fact...(submitted by Dave Marshall from *The Spark Plug*, newsletter of the Wichita Regional Group of the HCCA.)

All the people in the world are of the same age this year! It's amazing: this year all the people in the world are all in the same age group, all equal to 2019.

This year is special. It happens only once every 1,000 years.

This year your age + your year of birth, each individual is = 2019. For example, you are 55 years old and you were born in 1964, which adds up to 2019.

Very strange, even the Chinese and foreign masters cannot explain. Please calculate and see if the answer is 2019. It's a thousand-year wait!

2019 Motor Convoy Visits Galt

Story and Pictures by Frank and Diana Squire

Over 30 military vehicles were driven into Galt, CA, on September 13th. The convoy left Pennsylvania 35 days before arriving in Galt. (Initially they were to leave from Washington D.C., but there were logistical problems and they moved the starting location to Pennsylvania.) They were completing the trip the next day by going into San Francisco, although they were spending the night and celebrating with a banquet in Alameda. We were told that over the course of the trip, the convoy travelled at an average speed of 32 miles per hour.

There were participants from Australia and New Zealand, and various states from throughout the USA. We talked with people from Australia, Pennsylvania, Alabama, California, and Nevada. Additionally, as the convoy travelled through various states, there were other vehicles that joined the group for a day or longer.

We met Mark Ounan who was driving his 1918 Dodge Army Staff Car. He told us that the car didn't have any mechanical problems along the way. However, he did

trailer his car over the mountainous sections of the trip in order to be able to keep up with the convoy.

He said that the convoy was well-received as they passed through towns along their way. In Galt they were provided with lunch before they headed to Stockton where they were spending the night.

ANTIQUE CARS NEEDED**ANTIQUE CARS NEEDED** **SACRAMENTO INTERNATIONAL AUTO SHOW** **A BENEFIT FOR CHARITY**

The Sac Auto Show proceeds support local children's charities and Shriners Hospital's for Children, so your support makes a difference!

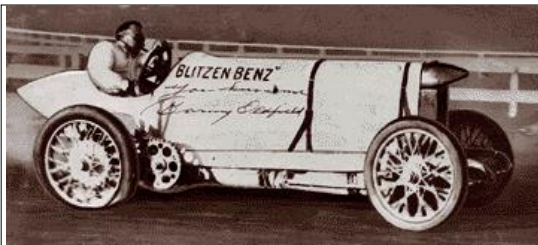

2019 Dates: October 18th 19th and 20th (Friday, Saturday and Sunday)

The Sacramento International Auto Show - one of Sacramento's largest fundraising events - rolls in to Cal Expo in October for a Friday, Saturday and Sunday run. With a nod to the future and a wave from the past, the Auto Show will feature hundreds of cars both new and old from automakers the world over, all on display to raise money for Sacramento area charities. To date over \$2 million dollars has been donated from Auto Show proceeds.

***Ed Rose is coordinating NCRG-HCCA's effort to showcase their antique cars at this show. The club exhibited several cars a few years ago and received lots of attention and opportunities to share our knowledge and love of these cars with the attendees.

And, it's fun to see all the new cars too!!!!!!

Please contact Ed Rose for more information:

A Life Story from Automotive History

Barney Oldfield (born Berna Eli Oldfield) 1878-1946. He was an American automobile-racing driver whose name was synonymous with speed in the first two decades of the 20th century. Originally a bicycle racer, he moved on to auto racing

in 1902 with the 999 racing car designed by Henry Ford and owned by Tom Cooper, a champion cyclist. He drove his car to victory in his first race with Alexander Winton's Bullet (said to be unbeatable). Rumor had it he learned the controls of the car right before that race. Additionally, he beat his competitors by a half-mile in that five-mile race.

Barney acquired several speed records: June 20, 1903 at Indianapolis—the first mile-a-minute performance of an automobile (59.6 seconds); in Yonkers, New York, one month later—five miles in 4 minutes 55 seconds; March 6, 1910, in his *Blitzen Benz*, he set a world speed record of 131.724 miles per hour. He was nicknamed “speed king.” He won the LA to Phoenix Cactus Derby Race in 1914, with a medal proclaiming the victor “Master Driver of the World”; and, on May 28, 1916 he became the first person to lap the Indianapolis Speedway at a speed of more than 100 miles per hour! Because he was very safety conscious, he was among the first to wear a safety harness. Barney was the first celebrity known only for his racing skill, speed, and daring. He also appeared in several movies and lived a rough and tumble life. He was part of the early racing days of the new automotive technology that moved into a respectable, organized sport.

September 19, 2019 General Meeting Minutes Cont'd

Education: Frank Squire Nothing to report

History and Publicity: Sandy Maye
The meeting was not in the prior Fridays notice. It seems to be posted every other week in the Bee.

Display: The Auction was our display for the night. We were entertained by David Pava and his helpers, Elaine Rose, Kim Malone and Bill Charpier. Great wit and efficiency made the evening fun. Thanks goes out to Jan Charpier who collected the money.

Good of the Order:

Warren Berg reported that there is a 1930 Nash that has been in a barn for 30 years for sale. The top isn't in good shape but the bottom is barn fresh. See Warren Berg for more information.

Terry Malone announced the Battle of the Bands on October the 5th from 11:00-3:00 at Rusch Park. This helps to fund projects for veterans.

Frank Squire mentioned the Military Vehicles display at the Amador County fairgrounds in Plymouth on September 21.

Frank and Diana Squire saw the Military Convoy in Galt on Sept. 13th. There was a 1918 Dodge that traveled for the full 36 days. They only had to trailer it over the mountainous areas of the route.

Kim Malone mentioned the Citrus Heights HART fundraiser to feed the homeless. It will be at the Citrus Heights Community Center. The date is on November 8. Tickets are \$20. See the newsletter for more information.

Michael Huff received an invitation to display his car at the American Heritage Day celebration at Mount Vernon. The cars displayed are by invitation. Everyone is welcome to come and participate when "History Comes Alive". Date is February 17 from 10:00 a.m.- 2:00 p.m. This might be a great venue to visit as a club event.

Next Board Meeting: Will need to be set up for October or November as we set up dues amounts, etc. at that time. Please contact Bill Charpier for hosting the meeting.

Next General Meeting: October 17, 2019 at 7:00 PM
Display of your choice.

Next Refreshment Committee: Charpiers

Meeting Adjourned: Motion made by: Bob Hopkins Jr.; Seconded by: Terry Malone;
Adjourned: 7:25 p.m.

Jan Charpier gets a surprise birthday celebration.

Reminder: Let's Update our Auto-Biography Binders

For the Northern California Regional Group's 40th Birthday Gala, a commemorative binder was developed with many members contributing their Auto-Biography to be shared amongst all members. We are now celebrating our 70th year and would like your assistance in updating those binders. About half of our members do not have an Auto-biography. Additionally, many years have passed since those initial biographies were written. Our goal is to get biographies from every one of our members or member families—even if it's simply a picture and a short paragraph.

Please help us by writing your Auto-biography. Include information about:

- You, your family, occupations, hobbies, interests
- How you became interested in old cars and what other clubs you belong to
- Information about the cars you have owned or currently own
- A favorite car story.

Please include 2-3 pictures along with your biography. At least one should be a picture of you so people can "see" and get to know our faces.

You can send or give your completed biography and pictures to: Diana Squire.

If you would prefer to be interviewed or have any questions, please call Diana .
